FOR IMMEDIATE RELEASE

18 Confirmed Cases of COVID-19 Identified in Calhoun County

Memorial Medical Center, in conjunction with Calhoun County and Calhoun County Texas Emergency Management, is reporting three new positive test results for COVID-19, bringing the total for positive COVID-19 tests in Calhoun County residents to 18. The Texas Department of State Health Services states that all three cases are attributed to community spread and all persons are isolating at home.

Please continue to follow city, county, and state recommendations and mandates. Everyone should be staying at home as much as possible, practicing social distancing when it is necessary to be out of the home, and practicing the hygiene measures that have been discussed previously.
