TAKE STEPS TO PROTECT YOURSELF AND OTHERS

We want people to think about how their actions can put others at risk.

The Governor's latest Executive Order reads in part "every person in Texas shall, except where necessary to provide or obtain essential services, minimize social gatherings and minimize in-person contact with people who are not in the same household."

Wash hands often for 20 seconds and encourage others to do the same.
If no soap and water are available, use hand sanitizer with at least 60% alcohol.
Cover coughs and sneezes with a tissue, then throw the tissue away.
Avoid touching your eyes, nose, and mouth with unwashed hands.
Disinfect surfaces, buttons, handles, knobs, and other places touched often.
Avoid close contact with people who are sick.
Practice social distancing. This includes avoiding crowds and minimizing physical contact.
Avoid social gatherings of any kind BUT if it is absolutely ESSENTIAL it must be limited to 10 people or less
Stay home if you are sick
Stay home. Stay Safe.

Sincerely,
