TAKE STEPS TO PROTECT YOURSELF AND OTHERS

We want people to think about how their actions can put others at risk.

As stated in Governor Abbott's Executive Order GA 14 signed on March 31, 2020:

Every person in Texas shall, except where necessary to provide or obtain essential services, minimize social gatherings and minimize in-person contact with people who are not in the same household.

In providing or obtaining essential services, people and businesses should follow the Guidelines from the President and the CDC by practicing good hygiene, environmental cleanliness, and sanitation, implementing social distancing, and working from home if possible.

Sincerely,
