

Vessel Turn-In Program

VTIP

June 4th through June 6, 2019
8:00 AM to 4:00 PM

Opportunity to Voluntarily Remove Inoperable, Derelict Vessels

Calhoun County has partnered with the Texas General Land Office (GLO) and Texas Parks & Wildlife (TP&W) to offer county residents the opportunity to dispose of inoperable and derelict vessels through the "Vessel Turn-In Program" (VTIP)

TWO CALHOUN COUNTY DROP-OFF LOCATIONS

Location 1 - 900 Landfill Road Port Lavaca, TX
Commissioner David Hall - Pct 1
Commissioner Vern Lyssy - Pct 2

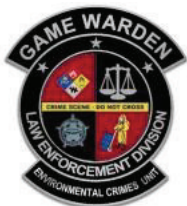

Location 2 - 448 Harbor Rd, Seadrift, TX
Commissioner Gary Reese - Pct 4

VTIP is designed to provide owners with a voluntary free method for the disposal of unwanted vessels.

- **The vessel must be brought to one of two drop off points.** The Texas GLO and TP&W will verify the vessel (boat) qualifies for disposal. All hazardous materials (fuel, oil, and batteries) will be removed, the vessel destroyed, and then transported to the landfill for disposal.
- **Boat must be clear of waste and debris.**
- **No Trash in Boats.**
- You are encouraged to participate in this **free** program if you own a vessel under 26' feet long in need of disposal. *(longer boats may be accepted on a case by case basis).*

Thanks and Appreciation to:
