Certificate of Interested Parties – Form 1295

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through adoption of House Bill 1295.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018.

Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code.

Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

The law states that a County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) has been completed and provided to the County at the time the contract is considered for action by Commissioners Court.

The term “business entity” includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term “contract” includes amendment, extension or renewal of an existing contract (Bids, RFPs, and/or RFQs also require Form 1295).

The law does not apply to a Bid, RFP, RFQ, and/or Contract between the County and another governmental entity or state agency.

The county is required to file Form 1295 with the state within thirty (30) days of approving a contract, and/or awarding a Bid, RFP, RFQ, and/or Contract with a business entity. Governmental transparency is the objective of the law.

A business entity must generate Form 1295 online. A business entity must use the application at the Texas Ethics Commission website to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number and date filed in the box marked “Office Use Only” located at the top right hand corner of the form.

An authorized agent of the business entity must sign and complete the bottom portion of the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

Calhoun County Commissioners Court will not consider for action any Bid, RFP, RFQ, and/or Contract with a business entity unless it is accompanied by a completed and signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt.

No later than thirty (30) days after Calhoun County Commissioners Court approves a contract, or awards a Bid, RFP, and/or RFQ with a business entity, the County Clerk will file acknowledgement of receipt of the Form 1295 with the Texas Ethics Commission. The Texas Ethics Commission will post the completed Form 1295 to its website within seven (7) business days after Calhoun County acknowledges receipt of the form.

A print out of the search results, including principals, if any, from the System for Award Management (www.SAM.gov) that includes the record date must be included with the bidder's/vendor's Bid, RFP, RFQ, and/or Contract.

If bidder/vendor or its (their) principals are placed on this list during the term of the Bid, RFP, RFQ, and/or Contract, the bidder/vendor shall notify the Calhoun County Auditor. False certification or failure to notify may result in termination of the Bid, RFP, RFQ, and/or Contract for default.

No payment can be made or mailed out until approved by Calhoun County Commissioners Court. Purchase order due dates/times and Commissioners Court dates/times are subject to change.

In the event the bidder/vendor fails to make the appropriate correction within a reasonable time, correction made by Calhoun County shall be at the bidder's/vendor's expense.

Bidder/vendor shall not limit or exclude any implied warranties and any attempt to do so shall render this Bid, RFP, RFQ, and/or Contract voidable at the option of Calhoun County.

Contractor or agent of the bidder shall promptly notify Calhoun County when any insurance policy required is not reasonably available and shall state the reasons therefore.

Bidder shall procure at its expense, and maintain, and shall require all contractors or agents, if any, to procure and maintain in full force during the full term of this agreement, insurance policies, from an insurer, or insurers, licensed (admitted) to do business in the State of Texas (with an AM Best Rating of a VII or better) and each of which insurers shall be satisfactory to Calhoun County; and the said policies shall provide insurance of the type and in the amounts below indicated. The policy/policies must be under an occurrence policy form. Coverage shall include but not be limited to liability assumed by bidder under the awarded lease, including the Tort liability of another assumed in a business contract/agreement/lease, and shall include unmodified separations of insureds coverage for premises/operations, personal injury liability, products/completed operations, liability for the application of herbicide or pesticide and wildfire/burn liability coverage. The policy/policies may not exclude or limit liability within the policy limits for personal or bodily injury or damages or death of an employee of bidder or Calhoun County or any other endorsement modifying the employer's liability exclusion.

b) AUTOMOBILE LIABILITY INSURANCE POLICY with a combined limit of not less than \$1,000,000 per occurrence and \$1,000,000 in aggregate covering liability arising out of any auto (owned, hired and non-owned) used in the operations of the bidder and will be primary and non-contributory with any other coverage elsewhere afforded or available to Calhoun County, as well as provide primary coverage for all losses and damages related to or arising out of the work, and shall not require the exhaustion of any other coverages afforded or available to Calhoun County. This workers' compensation insurance requirement is only applicable when the bidder or the bidder's contractor or agent utilizes employees in the operation of the leased premises.

WAIVER OF SUBROGATION:

Bidder hereby waives all rights of subrogation against Calhoun County and its respective officials, employees, and insurers and all policies of insurance provided for above shall contain a provision and/or endorsement stating that the insurance carriers and underwriters waive all rights of subrogation in favor of Calhoun County and its respective officials, employees, and insurers.

ADDITIONAL INSURED:

All policies (except for workers' compensation/employer's liability) will name, by policy endorsement, Calhoun County as an additional insured and must provide coverage to the maximum extent permitted by law.

NOTICE OF CANCELLATION, MATERIAL CHANGE AND NON-RENEWAL:

All insurance required herein shall be endorsed to provide a thirty (30) day notice of cancellation, material change and non-renewal to bidder to the extent commercially available. Calhoun County's receipt of or failure to object to any insurance certificates or policies submitted by bidder or its contractors or agents does not release or diminish in any manner the liability or obligations of bidder or its contractors or agents or constitute a waiver of any of the insurance requirements under this agreement.

Replacement certificates of liability insurance (Form ACORD 25 or equivalent) evidencing continuation of such coverage and naming, by policy endorsement, Calhoun County as an additional insured, shall be furnished to the Calhoun County Auditor's office prior to the expiration of the current policies.

INDEMNIFICATION:

The successful bidder shall defend, indemnify and hold Calhoun County and its officials, employees, and agents harmless from all suits, actions, or for personal injury, death and/or property damage arising from any cause whatsoever, resulting directly or indirectly from bidder's or bidder's contractors or agents performance.

Any exceptions and/or variations from the specifications in this bid document must be indicated on a separate attachment to the bid and labeled as such. Exceptions taken and or variations made to the specifications and listed on a separate attachment may void the bid.

The award of a bid will be voided if specifications, general conditions, and lease agreement requirements are not followed/met. The bid would then be awarded to the next bidder which submitted the next best bid that met specifications, general conditions and lease agreement requirements of the bid.

It is understood that Calhoun County Commissioners Court reserves the right to accept or reject any and/or all bids and to waive informalities or defects in bids or to accept such bids as it shall deem most advantageous and to be in the best interest of Calhoun County.

Landlord's failure to enforce any provisions of this Lease or its acceptance of late installments of Rent will not be a waiver and will not estop Landlord from enforcing that provision or any other provision of this Lease in the future.

D.11. Mitigation. Landlord has mitigated the loss of rent if Landlord, within sixty (60) days after Tenant's loss of possession, (a) places a "For Lease" sign at the Premises, (b) places the Premises on Landlord's inventory of properties for lease, (c) makes Landlord's inventory available to area brokers on a monthly basis, (d) advertises the Premises for lease in a suitable

trade journal in the county in which the Premises are located, and (e) shows the Premises to prospective tenants who request to see it.

D.12. Security Deposit. N/A

D.13. Holdover. If Tenant does not vacate the Premises following termination of this lease, Tenant will become a tenant at will and must vacate the Premises on receipt of notice from Landlord. No holding over by Tenant, whether with or without the consent of Landlord, will extend the Term.

D.14. Alternative Dispute Resolution. Landlord and Tenant agree to mediate in good faith before filing a suit for damages.

D.15. Attorney's Fees. If either party retains an attorney to enforce this lease, the party prevailing in litigation is entitled to recover reasonable attorney's fees and other fees and court and other costs.

D.16. Venue. Exclusive venue is in the county in which the Premises are located.

D.17. Entire Agreement. This lease, its exhibits, addenda, and riders are the entire agreement of the parties concerning the lease of the Premises by Landlord to Tenant. There are no representations, warranties, agreements, or promises pertaining to the Premises or the lease of the Premises by Landlord to Tenant, and Tenant is not relying on any statements or representations of any agent of Landlord, that are not in this lease and any exhibits, addenda, and riders.

D.18. Amendment of Lease. This lease may be amended only by an instrument in writing, approved by Calhoun County Commissioners Court, and signed by Landlord and Tenant.

D.19. Limitation of Warranties. THERE ARE NO IMPLIED WARRANTIES OF MERCHANTABILITY, OF FITNESS FOR A PARTICULAR PURPOSE, OR OF ANY OTHER KIND ARISING OUT OF THIS LEASE, AND THERE ARE NO WARRANTIES THAT EXTEND BEYOND THOSE EXPRESSLY STATED IN THIS LEASE.

D.20. Notices. Any notice required or permitted under this lease must be in writing. Any notice required by this lease will be deemed to be given (whether received or not) the earlier of receipt or three business days after being deposited with the United States Postal Service, postage prepaid, certified mail, return receipt requested, and addressed to the intended recipient at the address shown in this lease. Notice may also be given by regular mail, personal delivery, courier delivery, or e-mail and will be effective when received. Any address for notice may be changed by written notice given as provided herein.

D.21. Mineral Interests. This lease is subordinate to any present or future oil, gas, or other mineral exploration agreements and leases relating to the Premises. Landlord will not be liable to Tenant for any damages for actions attributable to those agreements and will receive all consideration paid therefor. Any damages to growing crops arising from an oil, gas, or mineral interest will be divided between Landlord and Tenant in the same proportions as the crops are divided.

D.22. Landlord's Use. Landlord retains the right to enter on and use and/or permit third parties to enter on and use the Premises for hunting, fishing, and other uses that do not materially interfere with Tenant's farming rights.

D.23. intentionally left blank

D.24. intentionally left blank

D.25. Governmental Payments. If Tenant receives any payment from any governmental agency because of growing or not growing crops on the Premises and the Rent payable hereunder is based on a crop share, that payment will be divided between Tenant and Landlord in the same proportion as set out in the Rent clause.

D.26. Tenant's Use of Water.

D.26a. Surface. This Lease grants no right to Tenant to use the land's surface or subsurface water.

D.27. Extension Option. Tenant has the option to extend the Term as provided in the Renewal Option of this lease.

D.28. Landlord's Right to Terminate Upon Sale of Leased Premises. If Landlord sells or enters into a contract to sell the premises, Landlord may at its option terminate this lease by giving Tenant written notice of the sale or contract to sell. In the event Landlord exercises its option to terminate as provided for herein, this lease shall terminate on the date which the next annual rent payment would be due and Tenant shall vacate and surrender the Premises on or before that time. As an illustration, if Landlord notifies Tenant of a sale or contract to sale on March 1, 2021, then this lease would terminate on August 31, 2021. This paragraph does not apply to any forced sale of the leased premises, such as condemnation.

D.28.a. Effect of Termination. If this lease is terminated under Section D.28, above, neither party will have any further obligation or liability to the other under this lease, except that the parties will be liable to each other for the breach of any term or covenant of this lease occurring before the date of Tenant's surrendering the premises under the termination.

The lease is made subject to all easements and right-of-ways, if any, on, over and under the leased premises.

1. Maintain the liability insurance policies required below during the Term and any period before or after the Term when Tenant is present on the Premises:

| Type of Insurance | Minimum Policy Limit | |

| | Aggregate: | \$1,000,000 |

2. Comply with the following additional insurance requirements:

a. All liability policies must be endorsed to name Landlord as an "additional insured" on a form that does not exclude coverage for the sole or contributory ordinary negligence of Landlord and must not be endorsed to exclude the sole negligence of Landlord or Lienholder from the definition of "insured contract."

b. Certificates of insurance and copies of any additional insured and waiver of subrogation endorsements must be delivered by Tenant to Landlord before entering the Premises and thereafter at least ten days before the expiration of the policies.

c. Any of Tenant's agents (i.e. custom harvesters or farm service contractors) who will be entering the Premises shall also maintain insurance policies required above which shall include contractual liability endorsement which insures Tenant's indemnity obligations set forth in the lease, contains a waiver of subrogation and names Landlord as an "additional insured," and will provide Landlord with written evidence of the same.

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to Landlord.

f. Landlord's receipt of or failure to object to any insurance certificates or policies submitted by Tenant or Tenant's agents does not release or diminish in any manner the liability or obligations of Tenant or Tenant's agents or constitute a waiver of any of the insurance requirements under this Lease. Replacement certificates of insurance evidencing continuation of such coverage shall be furnished to Landlord prior to the expiration of the current policies. Should Tenant or Tenant's agents at any time neglect, refuse to provide or cancel the insurance required herein, Landlord shall have the right to terminate this lease or pursue any remedy available by law.

This proof of insurance and proof of continuation of insurance coverage shall be provided to the Calhoun County Auditor each year. This noticed shall be mailed or hand-delivered to:

Calhoun County, Texas
POLICY OF COMPLIANCE
SECTION 2252.908 TEXAS GOVERNMENT CODE
Approved by Commissioners Court January 28, 2016
Amended by Commissioners Court January 31, 2018

BACKGROUND

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through the adoption of House Bill 1295. The law states that the County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) is provided to the county at the time the contract is considered for action by Commissioner's Court. The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract. The law does not apply to a contract between the County and another governmental entity or state agency. The county is required to file Form 1295 with the state within 30 days of approving a contract with a business entity. Governmental transparency is the objective of the law.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018. Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code. Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. A business entity will generate Form 1295 online. Calhoun County will acknowledge online the receipt of Form 1295 after a contract is executed. Within seven business days, Form 1295 will be available for public viewing on the Commission's website.

COMPLAINCE

Calhoun County Commissioners Court will not consider for action any contract or bid with a business entity unless it is accompanied by a completed, signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt.

No later than 30 days after Commissioner's Court approves a contract or awards a bid with a non-exempt business entity, the **County Clerk** will file acknowledgement of receipt of the Form 1295 with the Ethics Commission.

PROVIDE A COPY OF PROOF OF INSURANCE REQUIREMENTS

* Bidder will provide a copy of their current insurance.

Current insurance must show that the bidder carries at least the minimum insurance required for this bid.

** Once the bid is awarded, the bidder that was awarded the lease must provide insurance liability certificates as required by the bid specifications, lease agreement and insurance addendum.
