**Certificate of Interested Parties – Form 1295**

Section 2252.908 was added to the Government Code by the 84<sup>th</sup> Texas Legislature through adoption of House Bill 1295.

Senate Bill 255 adopted by the 85<sup>th</sup> Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018.

Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code.

Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal: [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm).

The law states that a County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) has been completed and provided to the County at the time the contract is considered for action by Commissioners' Court.

The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract (bids and/or proposals also require Form 1295). The law does not apply to a contract, bid and/or proposal between the County and another governmental entity or state agency. The county is required to file Form 1295 with the state within thirty (30) days of approving a contract with a business entity. Governmental transparency is the objective of the law.

A business entity must generate Form 1295 online. A business entity must use the application at the Texas Ethics Commission website to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number and date filed in the box marked "Office Use Only" located at the top right hand corner of the form.

An authorized agent of the business entity must sign and complete the bottom portion of the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

*Calhoun County Commissioners' Court will not consider for action any bid, proposal and/or contract with a business entity unless it is accompanied by a completed, signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt.*

No later than thirty (30) days after Calhoun County Commissioners' Court approves a contract or awards a bid or proposal with a business entity, the County Clerk will file acknowledgement of receipt of the Form 1295 with the Texas Ethics Commission. The Texas Ethics Commission will post the completed Form 1295 to its website within seven (7) business days after Calhoun County acknowledges receipt of the form.

**Debarment:**

Vendor certifies that at the time of submission of its bid, proposal and/or contract, vendor was not on the federal government's list of suspended, ineligible or debarred vendor and that vendor has not been placed on this list between the time of its bid, proposal and/or contract submission and the time of execution of the bid, proposal and/or contract.

If vendor is placed on this list during the term of the bid, proposal and/or contract, the vendor shall notify the Calhoun County Auditor. False certification or failure to notify may result in termination of the bid, proposal and/or contract for default.

**Invoices and Payments:**

Invoices that are not billed to Calhoun County to the attention of the County Department that the invoice pertains to, not itemized (detailed) and/or free of sales tax (state, city and county sales tax) and federal excise taxes, if applicable, may be returned to the vendor for corrections. Calhoun County will not incur any fees and/or charges for this request and/or delay in payment of the invoice(s) that was originally submitted incorrectly.

Payment of all invoices will be made once the purchase order and invoice(s) are properly and timely submitted to the Calhoun County Treasurer's Office by the appropriate County department. Each County department is responsible for submitting their purchase orders for payment to the Calhoun County Treasurer's Office by the deadline time and date set forth by the Treasurer's office. No payment can be made or mailed out until approved by Calhoun County Commissioners' Court. Purchase order due dates/times and Commissioners' Court dates/times are subject to change.

Calhoun County's obligation is payable only and solely from funds available for the purpose of this purchase. Lack of funds shall render the order null and void to the extent funds are not available and any delivered but unpaid goods will be returned to the seller by the county.

**Gratuities:**

Calhoun County may, by written notice to the vendor, cancel any order and/or service without liability, if it is determined by Calhoun County that gratuities, in the form of entertainment, gifts, or otherwise were offered or given by the vendor, or any agent or representative of the vendor to any officer or employee of Calhoun County with a view toward securing an order and/or service.

In the event that services do not conform to OSHA Standards, Calhoun County may immediately stop the services and seek reimbursement for said services at the vendor's expense. In the event the vendor fails to make the appropriate correction within a reasonable time, correction made by Calhoun County shall be at the vendor's expense.

Vendor shall not limit or exclude any implied warranties and any attempt to do so shall render this bid, proposal and/or contract voidable at the option of Calhoun County.

Vendor warrants that the goods and/or services furnished will conform to the specifications, general conditions, drawings, and/or descriptions listed in the bid invitation, proposal and/or contract and to the sample(s) furnished by vendor, if any. In the event of a conflict between the specifications, general conditions, drawings, and/or descriptions, the specifications shall govern.

All items must be new, in first class condition, unless otherwise specified. The design, strength and quality of materials must conform to the highest standards of manufacturing practice.

Items supplied under this bid, proposal and/or contract shall be subject to Calhoun County's approval. Successful vendor shall warrant that all items/services shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title. Any items found defective or not meeting specifications shall be picked up and promptly replaced to Calhoun County's satisfaction by the successful vendor at no expense to Calhoun County.

**Cancellation:**

Calhoun County shall have the right to cancel for default all or any part of the undelivered portion of an order and/or services if bidder breaches any of the terms hereof including warranties of vendor, or if the vendor becomes insolvent or files for protection under the bankruptcy laws. **Calhoun County, Texas**  
**POLICY OF COMPLIANCE**  
**SECTION 2252.908 TEXAS GOVERNMENT CODE**  
**Approved by Commissioners Court January 28, 2016**  
**Amended by Commissioners Court January 31, 2018**

**BACKGROUND**

Section 2252.908 was added to the Government Code by the 84<sup>th</sup> Texas Legislature through the adoption of House Bill 1295. The law states that the County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) is provided to the county at the time the contract is considered for action by Commissioner's Court. The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract. The law does not apply to a contract between the County and another governmental entity or state agency. The county is required to file Form 1295 with the state within 30 days of approving a contract with a business entity. Governmental transparency is the objective of the law.

Senate Bill 255 adopted by the 85<sup>th</sup> Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018. Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code. Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal [https://www.ethics.state.tx.us/whatsnew/elf\\_info\\_form1295.htm](https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm). A business entity will generate Form 1295 online. Calhoun County will acknowledge online the receipt of Form 1295 after a contract is executed. Within seven business days, Form 1295 will be available for public viewing on the Commission's website.

**COMPLAINCE**

**Calhoun County Commissioners Court** will not consider for action any contract or bid with a business entity unless it is accompanied by a completed, signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt.

No later than 30 days after Commissioner's Court approves a contract or awards a bid with a non-exempt business entity, the **County Clerk** will file acknowledgement of receipt of the Form 1295 with the Ethics Commission.

By the authority vested in me as President by the Constitution and laws of the United States of America, and in order to curb fraud, waste, and abuse in Federal programs, increase agency accountability, and ensure consistency among agency regulations concerning debarment and suspension of participants in Federal programs, it is hereby ordered that:

**Section 1.** (a) To the extent permitted by law and subject to the limitations in Section 1(c), Executive departments and agencies shall participate in a system for debarment and suspension from programs and activities involving Federal financial and nonfinancial assistance and benefits. Debarment or suspension of a participant in a program by one agency shall have government-wide effect.

(b) Activities covered by this Order include but are not limited to: grants, cooperative agreements, contracts of assistance, loans, and loan guarantees.

(c) This Order does not cover procurement programs and activities, direct Federal statutory entitlements or mandatory awards, direct awards to foreign governments or public international organizations, benefits to an individual as a personal entitlement, or Federal employment.

**Sec. 2.** To the extent permitted by law, Executive departments and agencies shall:

(a) Follow government-wide criteria and government-wide minimum due process procedures when they act to debar or suspend participants in affected programs.

(b) Send to the agency designated pursuant to Section 5 identifying information concerning debarred and suspended participants in affected programs, participants who have agreed to exclusion from participation, and participants declared ineligible under applicable law, including Executive Orders. This information shall be included in the list to be maintained pursuant to Section 5.

(c) Not allow a party to participate in any affected program if any Executive department or agency has debarred, suspended, or otherwise excluded (to the extent specified in the exclusion agreement) that party from participation in an affected program. An agency may grant an exception permitting a debarred, suspended, or excluded party to participate in a particular transaction upon a written determination by the agency head or authorized designee stating the reason(s) for deviating from this Presidential policy. However, I intend that exceptions to this policy should be granted only infrequently.

**Sec. 3.** Executive departments and agencies shall issue regulations governing their implementation of this Order that shall be consistent with the guidelines issued under Section 6. Proposed regulations shall be submitted to the Office of Management and Budget for review within four months of the date of the guidelines issued under Section 6. The Director of the Office of Management and Budget may return for reconsideration proposed regulations that the Director believes are inconsistent with the guidelines. Final regulations shall be published within twelve months of the date of the guidelines.

**Sec. 4.** There is hereby constituted the Interagency Committee on Debarment and Suspension, which shall monitor implementation of this Order. The Committee shall consist of representatives of agencies designated by the Director of the Office of Management and Budget.

**Sec. 5.** The Director of the Office of Management and Budget shall designate a Federal agency to perform the following functions: maintain a current list of all individuals and organizations excluded from program participation under this Order, periodically distribute the list to Federal agencies, and study the feasibility of automating the list; coordinate with the lead agency responsible for government-wide debarment and suspension of contractors; chair the Interagency Committee established by Section 4; and report periodically to the Director on implementation of this Order, with the first report due within two years of the date of the Order.

**Sec. 6.** The Director of the Office of Management and Budget is authorized to issue guidelines to Executive departments and agencies that govern which programs and activities are covered by this Order, prescribe government-wide criteria and government-wide minimum due process procedures, and set forth other related details for the effective administration of the guidelines.

**Sec. 7.** The Director of the Office of Management and Budget shall report to the President within three years of the date of this Order on Federal agency compliance with the Order, including the number of exceptions made under Section 2(c), and shall make recommendations as are appropriate further to curb fraud, waste, and abuse.

## **Implementation in the SRF Programs**

A company or individual who is debarred or suspended cannot participate in primary and lower-tiered covered transactions. These transactions include SRF loans and contracts and subcontracts awarded with SRF loan funds.

Under 40 C.F.R. 32.510, the SRF agency must submit a certification stating that it shall not knowingly enter into any transaction with a person who is proposed for debarment, suspended, declared ineligible, or voluntarily excluded from participation in the SRF program. This certification is reviewed by the EPA regional office before the capitalization grant is awarded.

A recipient of SRF assistance directly made available by capitalization grants must provide a certification that it will not knowingly enter into a contract with anyone who is ineligible under the regulations to participate in the project. Contractors on the project have to provide a similar certification prior to the award of a contract and subcontractors on the project have to provide the general contractor with the certification prior to the award of any subcontract.

In addition to actions taken under 40 C.F.R. Part 32, there are a wide range of other sanctions that can render a party ineligible to participate in the SRF program. Lists of debarred, suspended and otherwise ineligible parties are maintained by the General Services Administration and should be checked by the SRF agency and all recipients of funds directly made available by capitalization grants to ensure the accuracy of certifications.
