Certificate of Interested Parties – Form 1295

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through adoption of House Bill 1295.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018.

Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code.

Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

The law states that a County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) has been completed and provided to the County at the time the contract is considered for action by Commissioners Court.

The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract (Bids, RFPs, and/or RFQs also require Form 1295).

The law does not apply to a Bid, RFP, RFQ, and/or Contract between the County and another governmental entity or state agency.

The county is required to file Form 1295 with the state within thirty (30) days of approving a contract, and/or awarding a Bid, RFP, RFQ, and/or Contract with a business entity. Governmental transparency is the objective of the law.

A business entity must generate Form 1295 online. A business entity must use the application at the Texas Ethics Commission website to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number and date filed in the box marked "Office Use Only" located at the top right hand corner of the form.

An authorized agent of the business entity must sign and complete the bottom portion of the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

Calhoun County Commissioners Court will not consider for action any Contract with a business entity unless it is accompanied by a completed and signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt. A business entity will generate Form 1295 online after notification of award and submit with their signed contract. (See Attachment A to General Conditions)

No later than thirty (30) days after Calhoun County Commissioners Court approves a contract with a business entity, the County Judge's Office will file acknowledgement of receipt of the Form 1295 with the Texas Ethics Commission. The Texas Ethics Commission will post the completed Form 1295 to its website within seven (7) business days after Calhoun County acknowledges receipt of the form.

In the event the bidder/vendor fails to make the appropriate correction within a reasonable time, correction made by Calhoun County shall be at the bidder's/vendor's expense.

POLICY OF COMPLIANCE

SECTION 2252.908 TEXAS GOVERNMENT CODE

Approved by Commissioners Court January 28, 2016

Amended by Commissioners Court January 31, 2018 and September 14, 2022

And May 20, 2026

BACKGROUND

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through the adoption of House Bill 1295. The law states that the County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) is provided to the county at the time the contract is considered for action by Commissioner's Court. The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract. The law does not apply to a contract between the County and another governmental entity or state agency. The county is required to file Form 1295 with the state within 30 days of approving a contract with a business entity. Governmental transparency is the objective of the law.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018. Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code. Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. A business entity will generate Form 1295 online. Calhoun County will acknowledge online the receipt of Form 1295 after a contract is executed. Within seven business days, Form 1295 will be available for public viewing on the Commission's website.

COMPLAINT

Calhoun County Commissioners Court will not consider for action any contract with a business entity unless it is accompanied by a completed, signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt.

No later than 30 days after Commissioner's Court approves a contract with a non-exempt business entity, the **County Judge's Office** will file acknowledgement of receipt of the Form 1295 with the Texas Ethics Commission.

Calhoun County's receipt of or failure to object to any insurance certificates or policies submitted by bidder or its contractors or agents does not release or diminish in any manner the liability or obligations of bidder or its contractors or agents or constitute a waiver of any of the insurance requirements under this agreement.

Replacement certificates of liability insurance (Form ACORD 25 or equivalent) evidencing continuation of such coverage and naming, by policy endorsement, Calhoun County as an additional insured, shall be furnished to the Calhoun County Auditor's office prior to the expiration of the current policies.

Tenant agrees to -

1. Maintain the liability insurance policies required below during the Term and any period before or after the Term when Tenant is present on the Premises:

	Aggregate:	\$1,000,000

2. Comply with the following additional insurance requirements:

a. All liability policies must be endorsed to name Landlord as an "additional insured" on a form that does not exclude coverage for the sole or contributory ordinary negligence of Landlord and must not be endorsed to exclude the sole negligence of Landlord or Lienholder from the definition of "insured contract."

b. Certificates of insurance and copies of any additional insured and waiver of subrogation endorsements must be delivered by Tenant to Landlord before entering the Premises and thereafter at least ten days before the expiration of the policies.

c. Any of Tenant's agents (i.e. custom harvesters or farm service contractors) who will be entering the Premises shall also maintain insurance policies required above which shall include contractual liability endorsement which insures Tenant's indemnity obligations set forth in the lease, contains a waiver of subrogation and names Landlord as an "additional insured," and will provide Landlord with written evidence of the same.

d. Landlord's receipt of or failure to object to any insurance certificates or policies submitted by Tenant or Tenant's agents does not release or diminish in any manner the liability or obligations of Tenant or Tenant's agents or constitute a waiver of any of the insurance requirements under this Lease. Replacement certificates of insurance evidencing continuation of such coverage shall be furnished to Landlord prior to the expiration of the current policies. Should Tenant or Tenant's agents at any time neglect, refuse to provide or cancel the insurance required herein, Landlord shall have the right to terminate this lease or pursue any remedy available by law.

This proof of insurance and proof of continuation of insurance coverage shall be provided to the Calhoun County Auditor each year. This noticed shall be mailed or hand-delivered to:

(a) Follow government-wide criteria and government-wide minimum due process procedures when they act to debar or suspend participants in affected programs.

(b) Send to the agency designated pursuant to Section 5 identifying information concerning debarred and suspended participants in affected programs, participants who have agreed to exclusion from participation, and participants declared ineligible under applicable law, including Executive Orders. This information shall be included in the list to be maintained pursuant to Section 5.

(c) Not allow a party to participate in any affected program if any Executive department or agency has debarred, suspended, or otherwise excluded (to the extent specified in the exclusion agreement) that party from participation in an affected program. An agency may grant an exception permitting a debarred, suspended, or excluded party to participate in a particular transaction upon a written determination by the agency head or authorized designee stating the reason(s) for deviating from this Presidential policy. However, I intend that exceptions to this policy should be granted only infrequently.

Sec. 3. Executive departments and agencies shall issue regulations governing their implementation of this Order that shall be consistent with the guidelines issued under Section 6. Proposed regulations shall be submitted to the Office of Management and Budget for review within four months of the date of the guidelines issued under Section 6. The Director of the Office of Management and Budget may return for reconsideration proposed regulations that the Director believes are inconsistent with the guidelines. Final regulations shall be published within twelve months of the date of the guidelines.

Sec. 4. There is hereby constituted the Interagency Committee on Debarment and Suspension, which shall monitor implementation of this Order. The Committee shall consist of representatives of agencies designated by the Director of the Office of Management and Budget.

Sec. 5. The Director of the Office of Management and Budget shall designate a Federal agency to perform the following functions: maintain a current list of all individuals and organizations excluded from program participation under this Order, periodically distribute the list to Federal agencies, and study the feasibility of automating the list; coordinate with the lead agency responsible for government-wide debarment and suspension of contractors; chair the Interagency Committee established by Section 4; and report periodically to the Director on implementation of this Order, with the first report due within two years of the date of the Order.

Sec. 6. The Director of the Office of Management and Budget is authorized to issue guidelines to Executive departments and agencies that govern which programs and activities are covered by this Order, prescribe government-wide criteria and government-wide minimum due process procedures, and set forth other related details for the effective administration of the guidelines.

Sec. 7. The Director of the Office of Management and Budget shall report to the President within three years of the date of this Order on Federal agency compliance with the Order, including the number of exceptions made under Section 2(c), and shall make recommendations as are appropriate further to curb fraud, waste, and abuse.

Implementation in the SRF Programs

A company or individual who is debarred or suspended cannot participate in primary and lower-tiered covered transactions. These transactions include SRF loans and contracts and subcontracts awarded with SRF loan funds.

Under 40 C.F.R. 32.510, the SRF agency must submit a certification stating that it shall not knowingly enter into any transaction with a person who is proposed for debarment, suspended, declared ineligible, or voluntarily excluded from participation in the SRF program. This certification is reviewed by the EPA regional office before the capitalization grant is awarded.

A recipient of SRF assistance directly made available by capitalization grants must provide a certification that it will not knowingly enter into a contract with anyone who is ineligible under the regulations to participate in the project. Contractors on the project have to provide a similar certification prior to the award of a contract and subcontractors on the project have to provide the general contractor with the certification prior to the award of any subcontract.

In addition to actions taken under 40 C.F.R. Part 32, there are a wide range of other sanctions that can render a party ineligible to participate in the SRF program. Lists of debarred, suspended and otherwise ineligible parties are maintained by the General Services Administration and should be checked by the SRF agency and all recipients of funds directly made available by capitalization grants to ensure the accuracy of certifications.
