RFP for CDBG Grant Professional Administration Services

Calhoun County is seeking well-qualified administration/project delivery service provider(s) to assist the County in preparing application(s) for the overall administration or implementation of proposed CDBG-funded project(s), if funded, by the Texas General Land Office (GLO). The following outlines the RFP:

1. Scope of Work:

Administration Services

A sample detailed Scope of Work ("SOW") for CDBG administration services provided by the GLO is enclosed in this packet. The administration service provider to be hired will provide contract-related management services, for the next two (2) years, including but not limited to the following areas:

Pre-Funding Services*

Provider will assist in developing project scope(s) and complete CDBG application(s). The provider will work with the local government and the Engineer, if applicable, to provide the concise information needed for submission of one or more complete CDBG applications and related documents. The required information shall be submitted in a format to be described by the GLO.

Post-Funding Services

Provider will administer and provide project delivery of infrastructure, utilities, housing, and eligible projects approved for GLO CDBG funding. The selected service provider must comply with all requirements established by the GLO.

General Administration Services

- Administrative Duties
- Construction Management
- Acquisition Duties (as necessary)
- Environmental Services

Please specify a complete list of actual tasks to be performed under each of these categories in your response, including, if necessary, a **brief** description of each task.

**Pre-funding services may be eligible for CDBG reimbursement.*

2. Statement of Qualifications

Calhoun County is seeking qualified professional administration service providers experienced in grant application preparation and administration/project delivery. Please provide the following as it relates to your qualifications:

- a. A brief history of the service provider, including general background, knowledge of and experience working with relevant agencies and programs;
- b. Related experience in applying for and managing federally-funded local projects, in particular recent experience;

- c. A description of work performance and experience with CDBG, CDBG Disaster Recovery, FEMA Hazard Mitigation or similar projects including a list of at least three references from past local government clients, with information describing the relevancy of the previous performance;
- d. Describe which specific parts of the Scope of Work the service provider proposes to perform;
- e. Describe the capacity to perform the chosen Scope of Work activities as well as resumes of all employees who may be assigned to provide services if your firm is selected, identifying current employees and proposed hires; and
- f. A statement substantiating the resources of the service provider and the ability to carry out the scope of work requested within the proposed timeline.

3. Proposed Cost of Services

Provide your cost proposal to accomplish the scope of work by activity or to complete a specific service outlined above and for any additional services required using the Cost Proposal page(s) included in this packet. The specific projects and grant amounts are yet to be determined; therefore, vendors should propose pricing based on the potential funding amounts provided.

The local government will consider dividing total requirements, when economically feasible, into smaller tasks or quantities to permit maximum participation by small and minority businesses, and women's business enterprises. As such, proposers may specify any maximum limit to the total dollar value of grant funds they are able and willing to manage. Service providers may submit proposals for any or all activities. Preference will be given to firm fixed pricing. The proposal must include all costs that are necessary to successfully complete these activities. Note that the lowest/best price proposal will not be used as the sole basis for entering into this contract; rather, award will be made to the service provider(s) providing the best value, cost and other factors considered. The local government reserves the right to negotiated pricing.

Upon the award of this contract, profit (either %/actual cost) must be identified and negotiated as a separate element of the price for any contract in excess of \$50,000.00.

4. Evaluation Criteria

The proposal received will be evaluated and ranked according to the following criteria and using the rating sheet enclosed:

<u>Criteria</u>	<u>Maximum Points</u>
Experience	30
Work Performance	30
Capacity to Perform	20
Proposed Cost	20
Total	100

- b. **HUB Certificate**
- c. **Statement of Conflicts** (if any) the service provider or key employees may have regarding these services, and a plan for mitigating the conflict(s). - d. **System for Award Management.** Service provider must have a current registration in the System for Award Management (<https://www.sam.gov/SAMI>). Service provider and its Principals, may not be debarred or suspended nor otherwise on the Excluded Parties List System (EPLS) in the System for Award Management (SAM). (3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

	<p>Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, the contractor may request the United States to enter into such litigation to protect the interests of the United States.</p> <p>The [recipient] further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the [recipient] so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.</p> <p>The [recipient] agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.</p> <p>The [recipient] further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the [recipient] agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the [recipient] under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such [recipient]; and refer the case to the Department of Justice for appropriate legal proceedings.</p>

DEBARMENT & SUSPENSION

Executive Order 12549--Debarment and Suspension

Source: The provisions of Executive Order 12549 of Feb. 18, 1986, appear at 51 FR 6370, 3 CFR, 1986 Comp., p. 189, unless otherwise noted.

By the authority vested in me as President by the Constitution and laws of the United States of America, and in order to curb fraud, waste, and abuse in Federal programs, increase agency accountability, and ensure consistency among agency regulations concerning debarment and suspension of participants in Federal programs, it is hereby ordered that:

Section 1. (a) To the extent permitted by law and subject to the limitations in Section 1(c), Executive departments and agencies shall participate in a system for debarment and suspension from programs and activities involving Federal financial and nonfinancial assistance and benefits. Debarment or suspension of a participant in a program by one agency shall have government-wide effect.

(b) Activities covered by this Order include but are not limited to: grants, cooperative agreements, contracts of assistance, loans, and loan guarantees.

(c) This Order does not cover procurement programs and activities, direct Federal statutory entitlements or mandatory awards, direct awards to foreign governments or public international organizations, benefits to an individual as a personal entitlement, or Federal employment.

Sec. 2. To the extent permitted by law, Executive departments and agencies shall:

(a) Follow government-wide criteria and government-wide minimum due process procedures when they act to debar or suspend participants in affected programs.

(b) Send to the agency designated pursuant to Section 5 identifying information concerning debarred and suspended participants in affected programs, participants who have agreed to exclusion from participation, and participants declared ineligible under applicable law, including Executive Orders. This information shall be included in the list to be maintained pursuant to Section 5.

(c) Not allow a party to participate in any affected program if any Executive department or agency has debarred, suspended, or otherwise excluded (to the extent specified in the exclusion agreement) that party from participation in an affected program. An agency may grant an exception permitting a debarred, suspended, or excluded party to participate in a particular transaction upon a written determination by the agency head or authorized designee stating the reason(s) for deviating from this Presidential policy. However, I intend that exceptions to this policy should be granted only infrequently.

Sec. 3. Executive departments and agencies shall issue regulations governing their implementation of this Order that shall be consistent with the guidelines issued under Section 6. Proposed regulations shall be submitted to the Office of Management and Budget for review within four months of the date of the guidelines issued under Section 6. The Director of the Office of Management and Budget may return for reconsideration proposed regulations that the Director believes are inconsistent with the guidelines. Final regulations shall be published within twelve months of the date of the guidelines.

Sec. 4. There is hereby constituted the Interagency Committee on Debarment and Suspension, which shall monitor implementation of this Order. The Committee shall consist of representatives of agencies designated by the Director of the Office of Management and Budget.

Sec. 5. The Director of the Office of Management and Budget shall designate a Federal agency to perform the following functions: maintain a current list of all individuals and organizations excluded from program participation under this Order, periodically distribute the list to Federal agencies, and study the feasibility of automating the list; coordinate with the lead agency responsible for government-wide debarment and suspension of contractors; chair the Interagency Committee established by Section 4; and report periodically to the Director on implementation of this Order, with the first report due within two years of the date of the Order.

Sec. 6. The Director of the Office of Management and Budget is authorized to issue guidelines to Executive departments and agencies that govern which programs and activities are covered by this Order, prescribe government-wide criteria and government-wide minimum due process procedures, and set forth other related details for the effective administration of the guidelines.

Sec. 7. The Director of the Office of Management and Budget shall report to the President within three years of the date of this Order on Federal agency compliance with the Order, including the number of exceptions made under Section 2(c), and shall make recommendations as are appropriate further to curb fraud, waste, and abuse.

Implementation in the SRF Programs

A company or individual who is debarred or suspended cannot participate in primary and lower-tiered covered transactions. These transactions include SRF loans and contracts and subcontracts awarded with SRF loan funds.

Under 40 C.F.R. 32.510, the SRF agency must submit a certification stating that it shall not knowingly enter into any transaction with a person who is proposed for debarment, suspended, declared ineligible, or voluntarily excluded from participation in the SRF program. This certification is reviewed by the EPA regional office before the capitalization grant is awarded.

A recipient of SRF assistance directly made available by capitalization grants must provide a certification that it will not knowingly enter into a contract with anyone who is ineligible under the regulations to participate in the project. Contractors on the project have to provide a similar certification prior to the award of a contract and subcontractors on the project have to provide the general contractor with the certification prior to the award of any subcontract.

In addition to actions taken under 40 C.F.R. Part 32, there are a wide range of other sanctions that can render a party ineligible to participate in the SRF program. Lists of debarred, suspended and otherwise ineligible parties are maintained by the General Services Administration and should be checked by the SRF agency and all recipients of funds directly made available by capitalization grants to ensure the accuracy of certifications.

Obligation of the Bid, RFP, RFQ, and/or Contract:

Bids, RFPs, RFQs, and/or Contracts are awarded only upon formal execution by Calhoun County Commissioners Court. If a contract is required, the Calhoun County Judge or other person authorized by Calhoun County Commissioners Court must sign the contract before it becomes binding on Calhoun County. No person is authorized to sign contracts until authorized by Calhoun County Commissioners Court. Calhoun County is not responsible for any contract signed without Commissioners Court approval.

Delivery:

All items shall be shipped F.O.B. inside (or site location) delivery unless otherwise stated in the specifications. Default in promised delivery (without accepted reasons) or failure to meet specifications, authorizes Calhoun County to purchase supplies from the next lowest bidder/vendor that met specifications.

Rejections:

Articles not in accordance with samples and specifications must be removed by the bidder/vendor at the bidder's/vendor's expense.

All disputes concerning quality of equipment, supplies, materials, products/goods, and/or services delivered under this Bid, RFP, RFQ, and/or contract will be determined by Calhoun County Commissioners Court or their designated representative.

Termination:

Calhoun County reserves the right to terminate the Bid, RFP, RFQ, and/or Contract for default if the bidder/vendor breaches any of the terms therein, including warranties of bidder/vendor or if the bidder/vendor becomes insolvent or commits acts of bankruptcy. Such right of termination is in addition to and not in lieu of any other remedies, which Calhoun County may have in law or equity.

Default may be construed as, but not limited to, failure to deliver the proper products/goods and/or services within the proper amount of time, and/or to properly perform any and all services required to Calhoun County's satisfaction and/or to meet all other obligations and requirements.

Bids, RFPs, RFQs, and/or Contracts may be terminated without cause upon thirty (30) days written notice to either party unless otherwise specified. The bidder/vendor or Calhoun County must state therein the reasons for such cancellation. Calhoun County reserves the right to award cancelled Bid, RFP, RFQ, and/or Contract to the next lowest and best bidder/vendor that met specifications and is deemed to be in the best interest of Calhoun County.

Delinquent Property Taxes:

Calhoun County reserves the right to reject any Bid, RFP, RFQ, and/or Contract submitted by a bidder/vendor owing delinquent property taxes to Calhoun County, Texas.

If the bidder/vendor subsequently becomes delinquent in the payment of Calhoun County taxes this may be grounds for cancellation of the Bid, RFP, RFQ, and/or Contract. Despite anything to the contrary, if the bidder/vendor is delinquent in payment of Calhoun County taxes at the time of invoicing, bidder/vendor assigns any payments to be made under this Bid, RFP, RFQ, and/or Contract to the Calhoun County Tax Assessor Collector for the payment of delinquent taxes.

Certificate of Interested Parties – Form 1295

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through adoption of House Bill 1295.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018.

Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code.

Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal: https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm.

The law states that a County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) has been completed and provided to the County at the time the contract is considered for action by Commissioners Court.

The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract (Bids, RFPs, and/or RFQs also require Form 1295).

The law does not apply to a Bid, RFP, RFQ, and/or Contract between the County and another governmental entity or state agency.

The county is required to file Form 1295 with the state within thirty (30) days of approving a contract, and/or awarding a Bid, RFP, RFQ, and/or Contract with a business entity. Governmental transparency is the objective of the law.

A business entity must generate Form 1295 online. A business entity must use the application at the Texas Ethics Commission website to enter the required information on Form 1295 and print a copy of the completed form, which will include a certification of filing that will contain a unique certification number and date filed in the box marked "Office Use Only" located at the top right hand corner of the form.

An authorized agent of the business entity must sign and complete the bottom portion of the printed copy of the form affirming under the penalty of perjury that the completed form is true and correct.

Calhoun County Commissioners Court will not consider for action any Contract with a business entity unless it is accompanied by a completed and signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt. A business entity will generate Form 1295 online after notification of award and submit with their signed contract. (See Attachment A to General Conditions)

No later than thirty (30) days after Calhoun County Commissioners Court approves a contract with a business entity, the Calhoun County Clerk will file acknowledgement of receipt of the Form 1295 with the Texas Ethics Commission. The Texas Ethics Commission will post the completed Form 1295 to its website within seven (7) business days after Calhoun County acknowledges receipt of the form.

Debarment:

Bidder/vendor certifies that at the time of submission of its (their) Bid, RFP, RFQ, and/or Contract, the bidder/vendor, as well as the bidder's/vendor's principals, are not on the federal government's list of suspended, ineligible or debarred bidders/vendors and that the bidder/vendor and its (their) principals have not been placed on this list between the time of the Bid, RFP, RFQ, and/or Contract submission and the time of execution of the Bid, RFP, RFQ, and/or Contract.

A print out of the search results that includes the record date showing that the Company, and its Principals, if any, have an active registration with the System for Award Management (www.SAM.gov) AND are not

debarred or suspended nor otherwise on the Excluded Parties List System (EPLS) in the System for Award Management (SAM) must be included with the bidder's/vendor's Bid, RFP, RFQ, and/or Contract.

If bidder/vendor or its (their) principals are placed on this list during the term of the Bid, RFP, RFQ, and/or Contract, the bidder/vendor shall notify the Calhoun County Auditor. False certification or failure to notify may result in termination of the Bid, RFP, RFQ, and/or Contract for default.

Invoices and Payments:

All invoices are subject to approval by the Calhoun County Auditor's Office.

Invoices shall be billed to Calhoun County to the attention of the County Department that the invoice pertains to and, if applicable, have all necessary backup information needed.

Invoices shall be itemized (detailed) and free of sales tax (state, city and county sales tax) and federal excise taxes, if applicable.

Invoices that are not billed to Calhoun County to the attention of the County Department that the invoice pertains to, not itemized (detailed) and/or free of sales tax (state, city and county sales tax) and federal excise taxes, if applicable, may be returned to the bidder/vendor for corrections. Calhoun County will not incur any fees and/or charges for this request and/or delay in payment of the invoice(s) that was originally submitted incorrectly.

Approval of payment of all invoices will be made once the purchase order and invoice(s) are properly and timely submitted to the Calhoun County Treasurer's Office by the appropriate County department. Each County department is responsible for submitting their purchase orders for payment to the Calhoun County Treasurer's Office by the deadline time and date set forth by the Treasurer's office. No payment can be made or mailed out until approved by Calhoun County Commissioners Court. Purchase order due dates/times and Commissioners Court dates/times are subject to change.

Calhoun County's obligation is payable only and solely from funds available for the purpose of this purchase. Lack of funds shall render the order null and void to the extent funds are not available and any delivered but unpaid goods will be returned to the seller by the county.

Gratuities:

Calhoun County may, by written notice to the bidder/vendor, cancel any order and/or service without liability, if it is determined by Calhoun County that gratuities, in the form of entertainment, gifts, or otherwise were offered or given by the bidder/vendor, or any agent or representative of the bidder/vendor to any official, employee, or agent of Calhoun County with a view toward securing a Bid, RFP, RFQ, Contract, order, and/or service.

In the event a Bid, RFP, RFQ, Contract, order, and/or service is canceled by Calhoun County pursuant to this provision, the County shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by bidder/vendor in providing such gratuities.

Warranty Product:

Bidder/vendor warrants that products/goods sold to and/or services provided to Calhoun County shall conform to the highest commercial and/or professional standards in the industry and laws established by the U.S. Department of Labor, U.S. Department of Homeland Security, Occupational Safety and Health Administration and OSHA Act of 1970.

In the event products/goods sold and/or services provided do not conform to OSHA Standards, where applicable, Calhoun County shall return the product/item for correction or replacement at the bidder's/vendor's expense. In the event that services do not conform to OSHA Standards, Calhoun County

may immediately stop the services and seek reimbursement for said services at the bidder's/vendor's expense.

In the event the bidder/vendor fails to make the appropriate correction within a reasonable time, correction made by Calhoun County shall be at the bidder's/vendor's expense.

Bidder/vendor shall not limit or exclude any implied warranties and any attempt to do so shall render this Bid, RFP, RFQ, and/or Contract voidable at the option of Calhoun County.

Bidder/vendor warrants that the products/goods and/or services furnished and/or performed will conform to the specifications, scope of work, general conditions, drawings, and/or descriptions listed in the Bid, RFP, RFQ, and/or Contract and to the sample(s) furnished by bidder/vendor, if any.

In the event of a conflict between the specifications, scope of work, general conditions, drawings, and/or descriptions, the specifications shall govern.

All products/goods must be new, in first class condition, unless otherwise specified. The design, strength and quality of materials must conform to the highest standards of manufacturing practice.

Products/goods, and/or services supplied and/or performed under this Bid, RFP, RFQ, and/or Contract shall be subject to Calhoun County's approval.

Successful bidder/vendor shall warrant that all products/goods and/or services shall conform to the proposed specifications and/or all warranties as stated in the Uniform Commercial Code and be free from all defects in material, workmanship and title. Any products/goods and are services found defective or not meeting specifications shall be picked up and promptly replaced or corrected to Calhoun County's satisfaction by the successful bidder/vendor at no expense to Calhoun County.

Cancellation:

Calhoun County shall have the right to cancel for default all or any part of the undelivered portion of an order and/or services if bidder/vendor breaches any of the terms hereof including warranties of bidder/vendor, or if the bidder/vendor becomes insolvent or files for protection under the bankruptcy laws. Such rights of cancellation are in addition to and not in lieu of any other remedies, which Calhoun County may have in law or equity. Calhoun County shall not incur any fees and/or charges related to the cancellation. The bidder/vendor shall be responsible for any fees and/or charges that are related to the cancellation.

Force Majeure:

Force Majeure means a delay encountered by a party in the performance of its obligations under this Bid, RFP, RFQ, and/or Contract, which is caused by an event beyond the reasonable control of that party. Without limiting the generality of the foregoing, "Force Majeure" shall include but not be restricted to the following types of events: acts of God or public enemy; acts of governmental or regulatory authorities; fires, floods, epidemics or serious accidents; unusually severe weather conditions; strikes, lockouts, or other labor disputes; and defaults by subcontractors.

In the event of a Force Majeure, the affected party shall not be deemed to have violated its obligations under this Bid, RFP, RFQ, and/or Contract, and the time for performance of any obligations of that party shall be extended by a period of time necessary to overcome the effects of the Force Majeure, provided that the foregoing shall not prevent this Bid, RFP, RFQ, and/or Contract from terminating in accordance with the termination provisions.

If any event constituting a Force Majeure occurs, the affected party shall notify the other parties in writing, within twenty-four (24) hours, and disclose the estimated length of delay, and cause of the delay.

Waiver:

No claim or right arising out of a breach of any Bid, RFP, RFQ, and/or Contract can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party.

Applicable Law:

To the extent it is applicable, this Bid, RFP, RFQ, and/or Contract shall be governed by the Uniform Commercial Code. Whenever the term “Uniform Commercial Code” is used it shall be construed as meaning the “Uniform Commercial Code” as adopted in the State of Texas as effective and in force on the date of this Bid, RFP, RFQ, and/or Contract. Otherwise, Texas state and federal law shall apply.

Prohibition against Personal Interest in Bids, RFPs, RFQs, and/or Contracts:

No official, employee, or agent of Calhoun County shall have financial interest, direct or indirect, in any Bid, RFP, RFQ, and/or Contract with Calhoun County, or shall be financially interested, directly or indirectly, in the sale/lease to Calhoun County of any land, materials, supplies, or service, except on behalf of Calhoun County as an official, employee, or agent. Any willful violation of this section shall constitute malfeasance in office, and any official, employee, or agent guilty thereof shall be subject to disciplinary action under applicable laws, statutes and codes of the State of Texas. Any violation of this section, with the knowledge, expressed or implied of the company, corporation, firm, partnership, or individual contracting with Calhoun County shall render the Bid, RFP, RFQ, and/or Contract involved voidable by the Calhoun County Commissioners Court.

Insurance:

Proof (copy of bidder’s/vendor’s current insurance) of the below listed insurance may be required to be returned with the Bid, RFP, RFQ, and/or Contract.

Each certificate of liability insurance (Form ACORD 25 or equivalent) to be furnished by successful bidder’s/vendor’s insurance agent shall include, by endorsement to the policy, a statement that a notice shall

be given to the Calhoun County Auditor by certified mail thirty (30) days prior to cancellation, material change, or non-renewal in coverage.

Calhoun County's receipt of or failure to object to any insurance certificates or policies submitted by the bidder/vendor does not release or diminish in any manner the liability or obligations of the bidder/vendor or constitute a waiver of any of the insurance requirements for the Bid, RFP, RFQ, and/or Contract.

Replacement certificate(s) of liability insurance (Form ACORD 25 or equivalent) evidencing continuation of such coverage and naming, by policy endorsement, Calhoun County as an additional insured, shall be furnished to the Calhoun County Auditor's office prior to the expiration of the current policies.

Should bidder/vendor at any time neglect, refuse to provide, or cancel the insurance required, Calhoun County shall have the right to terminate the Bid, RFP, RFQ, and/or Contract or pursue any remedy available by law.

The insurance coverage requirements in the Bid, RFP, RFQ, and/or contract will in no way be construed as limiting the scope of indemnification.

POLICY OF COMPLIANCE

SECTION 2252.908 TEXAS GOVERNMENT CODE

Approved by Commissioners Court January 28, 2016

Amended by Commissioners Court January 31, 2018 and September 14, 2022

BACKGROUND

Section 2252.908 was added to the Government Code by the 84th Texas Legislature through the adoption of House Bill 1295. The law states that the County may not enter into a contract with a business entity unless a Certificate of Interested Parties (Form 1295) is provided to the county at the time the contract is considered for action by Commissioner's Court. The term "business entity" includes a sole proprietorship, partnership or corporation (whether for-profit or non-profit). The term "contract" includes amendment, extension or renewal of an existing contract. The law does not apply to a contract between the County and another governmental entity or state agency. The county is required to file Form 1295 with the state within 30 days of approving a contract with a business entity. Governmental transparency is the objective of the law.

Senate Bill 255 adopted by the 85th Legislature Regular Session amended the law effective for contracts entered into or amended on or after January 1, 2018. Additional exemptions from Form 1295 requirement were added for 1) a contract with a publicly traded business entity, including a wholly owned subsidiary of the business entity, 2) a contract with an electric utility as defined by Section 31.002 of the Utilities Code, or 3) a contract with a gas utility as defined by Section 121.001 of the Utilities Code. Notarization of Form 1295 has been replaced by an unsworn statement under penalty of perjury by an authorized representative of the business entity.

The Texas Ethics Commission promulgated rules to implement the law and established an online portal https://www.ethics.state.tx.us/whatsnew/elf_info_form1295.htm. A business entity will generate Form 1295 online. Calhoun County will acknowledge online the receipt of Form 1295 after a contract is executed. Within seven business days, Form 1295 will be available for public viewing on the Commission's website.

COMPLAINCE

Calhoun County Commissioners Court will not consider for action any contract with a business entity unless it is accompanied by a completed, signed Form 1295 or a signed statement declaring the provision of the law under which the business entity is exempt.

No later than 30 days after Commissioner's Court approves a contract with a non-exempt business entity, the **County Clerk** will file acknowledgement of receipt of the Form 1295 with the Texas Ethics Commission.
