RE: Fixed Asset Inventory Review FY2026

Dear Judge Beeler,

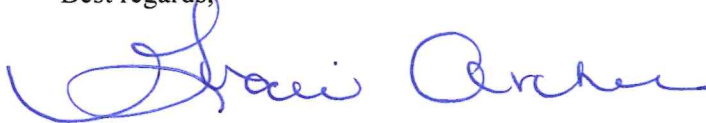

On July 20, 2026 a physical inventory was performed of the Calhoun County Court at Law and County Court department fixed assets. Items in both the County Court at Law and County Court departments were compared with their corresponding Fixed Asset Inventory Reports maintained by the Calhoun County Auditor's Office. During the audit, all Court at Law assets were account for. The County Court, however, had the following items not located:

Inventory No.	Description
426-0017	4 Drawer Filing Cabinet - 1980
426-0008	Walnut Table - 1959

The items not located, were well before your time in office, and their location is unknown. The items have since been approved in Commissioner's Court to be removed from the County Court Fixed Asset Inventory Report.

We appreciate the time and assistance extended to our office by you and your staff during the audit.

Best regards,

Gracie Archer
Assistant Auditor
